

DESIGN SOLUTIONS & INTEGRATION

INDUSTRIAL AUTOMATION AND CONTROLS INTEGRATION

Designed, Integrated, Commissioned, and Supported.

Call for more info:
800.347.7340

When automation systems fail, it is rarely the software alone. Problems come from poor coordination between controls, panels, electrical work, instrumentation, and commissioning.

The DSI Difference

DSI delivers automation as a complete integrated system, not just PLC code. Our automation team works alongside DSI electrical construction, the UL panel shop, fabrication, and field service, so controls, wiring, devices, and panels all match the system design.

Integrators, Not Just Programmers

Most automation contractors hand over the code and walk away. DSI connects every layer, from panel fabrication and electrical integration through commissioning and long-term support.

Automation Capabilities

- PLC programming and HMI development
- SCADA integration and remote monitoring
- RTU and remote site controls
- Instrumentation and network integration
- UL control panel coordination
- Commissioning, startup, and support

Employee-Owned Advantage

As a 100% employee-owned company, DSI engineers own the result, not just the code. That drives better documentation and systems teams can maintain.

Talk with Our Automation Team

Tell us what you are building, or what keeps failing. We will tell you what it takes to control it and keep it visible.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

- Sioux Falls, SD
- Midland, TX
- Stanley, ND
- Carlsbad, NM
- Grand Forks, ND
- Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
