

DESIGN SOLUTIONS & INTEGRATION

FIELD-READY INDUSTRIAL FABRICATION SERVICES

Built in the Shop. Proven in the Field.

Call for more info:
800.347.7340

Operations depend on fabricated systems that fit real field conditions. Skids, supports, platforms, panel mounts, and field modifications all have to work where they are installed and maintained.

The DSI Difference

DSI is more than a fabrication shop. Our fabrication team works with DSI electrical construction, automation, the UL panel shop, engineering, and field service, so fabricated systems align with the equipment, panels, wiring, controls, and access around them.

Fabrication Fails When Coordination Does

A component can be strong enough on paper and still cause problems during installation, wiring, access, or commissioning. DSI builds with the full system in mind.

Fabrication Capabilities

- Equipment skids and support structures
- Panel, enclosure, and controls supports
- Access platforms, stairs, and walkways
- Guards, frames, and safety structures
- Pipe and conduit supports
- Repeat-build and custom fabrication

Employee-Owned Advantage

As a 100% employee-owned company, DSI fabricators own the result, not just the weld. That drives structures built for the crew who installs and services them.

Talk with Our Fabrication Team

Send us your drawings, or the problem you are trying to solve on site. We will tell you what it takes to build it.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

📍 Sioux Falls, SD	📍 Midland, TX
📍 Stanley, ND	📍 Carlsbad, NM
📍 Grand Forks, ND	📍 Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
