

DESIGN SOLUTIONS & INTEGRATION

ELECTRICAL CONSTRUCTION FOR PROCESSING PLANTS

Reliable Power. Safer Sites. Built Around Plant Uptime.

Call for more info:
800.347.7340

Processing and manufacturing plants depend on electrical systems that work in demanding conditions, across critical assets, and under constant production pressure.

The DSI Difference

DSI builds electrical systems for production lines, process equipment areas, plant utilities, motor and drive systems, and automation-ready infrastructure. Electrical, automation, panel shop, fabrication, and field execution all come from one accountable team.

Phased Work, Not Plant Shutdowns

Industrial electrical work rarely happens on an idle plant. DSI plans phased construction and tie-ins around equipment-driven schedules so production keeps running.

Industrial Electrical Capabilities

- Plant power distribution and service
- Production line and equipment wiring
- MCC, VFD, and motor control installation
- Control panel and automation-ready wiring
- Instrumentation and SCADA field wiring
- Upgrades, expansions, and modernization

Employee-Owned Advantage

As a 100% employee-owned company, DSI crews own the result, not just the install. That drives safer work and systems plant teams can maintain.

Talk with Our Industrial Electrical Team

Tell us what you are building, or what keeps going down. We will tell you what it takes to power it and keep it running.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

- Sioux Falls, SD
- Midland, TX
- Stanley, ND
- Carlsbad, NM
- Grand Forks, ND
- Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
