

DESIGN SOLUTIONS & INTEGRATION

FIELD-READY FABRICATION FOR PROCESSING PLANTS

Built for Access, Uptime, and Production Floors.

Call for more info:
800.347.7340

Processing and manufacturing plants need fabricated systems that are safe, durable, and serviceable. Poor coordination means installation delays, equipment conflicts, and access problems.

The DSI Difference

DSI brings fabrication, electrical construction, automation, the panel shop, and field service together. Fabricated components are built to fit the equipment, the facility layout, and crews working around active production.

Standardize Across Lines and Plants

Repeatable fabricated components used across production lines, equipment programs, and expansions cut installation time and simplify spare parts planning.

Industrial Fabrication Capabilities

- Equipment skids and structural bases
- Process and production line supports
- Panel and enclosure support frames
- Access platforms, stairs, and walkways
- Machine guards and safety barriers
- Field modification and retrofit work

Employee-Owned Advantage

As a 100% employee-owned company, DSI fabricators own the result, not just the weld. That drives structures plant teams can work around safely.

Talk with Our Industrial Fabrication Team

Send us your drawings, or the plant problem you need solved. We will tell you what it takes to build it.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

- Sioux Falls, SD
- Midland, TX
- Stanley, ND
- Carlsbad, NM
- Grand Forks, ND
- Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
