

DESIGN SOLUTIONS & INTEGRATION

AUTOMATION AND CONTROLS FOR WATER AND WASTEWATER

Treatment Plants. Lift Stations. SCADA Visibility.

Call for more info:
800.347.7340

Municipal water and wastewater systems depend on automation operators can trust. Outdated or poorly integrated controls mean downtime, compliance risk, and operational blind spots.

The DSI Difference

DSI supports municipal automation with PLC programming, SCADA integration, instrumentation, panel coordination, and startup. Our automation and electrical teams work together, so operators get systems that are easier to understand and easier to maintain.

Systems Operators Can Actually Run

A control system is only worth having if operators can understand it, troubleshoot it, and trust it when something goes wrong. DSI builds for that, not just for the specification.

Municipal Automation Capabilities

- Treatment plant PLC and SCADA systems
- Lift station and pump station controls
- RTU, telemetry, and remote monitoring
- Instrumentation and field device signals
- PLC and control panel modernization
- Troubleshooting, startup, and support

Employee-Owned Advantage

As a 100% employee-owned company, DSI crews own the result, not just the install. That drives safer work and infrastructure communities can rely on.

Talk with Our Municipal Automation Team

Tell us what needs modernizing, or what keeps alarming. We will tell you what it takes to make it reliable.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

📍 Sioux Falls, SD	📍 Midland, TX
📍 Stanley, ND	📍 Carlsbad, NM
📍 Grand Forks, ND	📍 Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
