

DESIGN SOLUTIONS & INTEGRATION

ELECTRICAL CONSTRUCTION FOR WATER AND WASTEWATER

Treatment Plants. Lift Stations. Critical Utilities.

Call for more info:
800.347.7340

Municipal water and wastewater systems depend on electrical infrastructure that works every day, under real operating pressure. When it fails, communities face service interruptions and compliance risk.

The DSI Difference

DSI provides electrical construction, controls support, instrumentation wiring, panel integration, and field execution for municipal water and wastewater facilities. One coordinated partner helps municipalities modernize aging infrastructure and improve reliability.

Work That Fits a Live Facility

Municipal utilities cannot go offline. DSI supports phased work and coordination with plant operations so upgrades happen without interrupting service.

Municipal Electrical Capabilities

- Treatment plant power and distribution
- Lift station and pump station electrical
- MCC, VFD, and pump motor controls
- Instrumentation, SCADA, and RTU wiring
- Generator and backup power coordination
- Upgrades for aging infrastructure

Employee-Owned Advantage

As a 100% employee-owned company, DSI crews own the result, not just the install. That drives safer work and infrastructure communities can rely on.

Talk with Our Municipal Electrical Team

Tell us what needs upgrading, or what keeps failing. We will tell you what it takes to make it reliable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

📍 Sioux Falls, SD	📍 Midland, TX
📍 Stanley, ND	📍 Carlsbad, NM
📍 Grand Forks, ND	📍 Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
