UL-CERTIFIED PANEL SHOP FOR WATER AND WASTEWATER

Treatment Plants. Lift Stations. Built to Last.

Call for more info:
800.347.7340

Municipal water and wastewater operations depend on panels that are safe, documented, and maintainable. A poorly built panel means emergency repairs, compliance risk, and service interruptions.

The DSI Difference

DSI builds UL-certified panels for municipal utilities. Our panel shop works with DSI automation, electrical construction, fabrication, and field service, so municipalities avoid the usual disconnect between the panel builder, the programmer, the electrician, and the field crew.

Documented for the Next Operator

Municipal systems outlive the people who install them. Clear labeling, updated drawings, and factory test results mean the next operator can troubleshoot it without guessing.

Municipal Panel Capabilities

- Lift station and pump station panels
- Water and wastewater treatment panels
- SCADA, RTU, and telemetry panels
- MCC, VFD, and motor control panels
- Panel modernization and rebuilds
- Factory acceptance testing and documentation

Employee-Owned Advantage

As a 100% employee-owned company, DSI panel builders own the result, not just the build. That drives infrastructure communities can rely on for decades.

Talk with Our Municipal Panel Team

Send us your drawings, or the panel that keeps failing. We will tell you what it takes to make it reliable.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

- Sioux Falls, SD
- Midland, TX
- Stanley, ND
- Carlsbad, NM
- Grand Forks, ND
- Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
