

DESIGN SOLUTIONS & INTEGRATION

AUTOMATION AND CONTROLS FOR OILFIELD PRODUCTION

Field Reliability. Uptime. Production Visibility.

Call for more info:
800.347.7340

Oil and gas operations depend on control systems that hold up in the field, across distributed assets, and under constant production pressure.

The DSI Difference

DSI is a Rockwell Automation Silver System Integrator. We bring automation, electrical construction, panel shop, fabrication, and field service together so operators modernize with a team that understands the full production system, not just the code.

Aging Field Systems, Modernized

Many oilfield control systems were built years ago with no remote visibility and no room to scale. DSI standardizes and modernizes them so they are easier to support across the whole operation.

Oilfield Automation Capabilities

- PLC and control system programming
- VFD, ESP, and motor control automation
- SCADA, telemetry, and remote visibility
- Instrumentation and field device integration
- UL control panel design and build
- Commissioning, startup, and field service

Employee-Owned Advantage

As a 100% employee-owned company, DSI crews own the result, not just the install. That drives safer field work and systems operators can maintain.

Talk with Our Oilfield Automation Team

Tell us what you are modernizing, or what keeps going dark. We will tell you what it takes to control it and see it.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

SILVER
System Integrator
A ROCKWELL AUTOMATION PARTNER

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

📍 Sioux Falls, SD	📍 Midland, TX
📍 Stanley, ND	📍 Carlsbad, NM
📍 Grand Forks, ND	📍 Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
