

DESIGN SOLUTIONS & INTEGRATION

SHOP-BUILT E-HOUSES READY TO SET ON SITE

Built, Wired, and Tested Before It Ships.

800.347.7340

Electrical gear left outside wears out fast. Outdoor-rated equipment costs more, and building shelters in the field takes time, crews, and extra trips.

The DSI Difference

DSI builds the E-House in our own fabrication shop. Then our UL panel shop, electricians, and automation team fill it, wire it, and program it. One team owns the building, the panels, and the startup, so nothing falls between vendors.

Start With Your Equipment List

Many customers know what goes inside, and that is it. We design the building around your gear in 3D CAD, plan for heat and access, and walk you through approval drawings.

E-House Capabilities

- Custom E-House, PDC, and MCC buildings
- Shipping container (Conex) conversions
- Skid-mounted bases and removable roofs
- Separate rooms, stairs, and landings
- HVAC sized to equipment heat load
- UL 508A and UL 698A panels installed

Employee-Owned Advantage

As a 100% employee-owned company, DSI crews own the result, from the first weld to startup. That drives buildings that set clean and run for years.

Talk with Our E-House Team

Send us your equipment list. We will help you plan the building and give you a straight answer on cost and timing.

100% Employee-owned. Fully accountable.

THE INTEGRATED ADVANTAGE

FIVE SERVICES. ONE ACCOUNTABLE TEAM.

Most industrial projects are split across an electrical contractor, a panel builder, a fabricator, and an integrator, and the gaps between them are where schedules slip. DSI self-performs all five. One team owns the design, the build, and the result.

ELECTRICAL

Industrial construction, power distribution, MCCs, and switchgear.

AUTOMATION

PLC, HMI, and SCADA programming, telemetry, and modernization.

PANEL SHOP

UL 508A and UL 698A panels, including classified areas.

FABRICATION

Skids, e-houses, racks, platforms, and structural assemblies.

FIELD SERVICES

Emergency repair, R-Stamp welding, commissioning, and support.

CERTIFICATIONS & ACCREDITATIONS

Rockwell Automation
Silver System Integrator

UL 508A & UL 698A
Certified Panel Shop

ASME National Board
R-Stamp Welding

100% Employee-Owned
ESOP

100% EMPLOYEE-OWNED | 25+ YEARS | UL-CERTIFIED PANEL SHOP | ASME R-STAMP WELDING | 6 LOCATIONS

PLATFORMS & EQUIPMENT WE SUPPORT

Allen-Bradley	ABB
Rockwell Automation	Eaton
Emerson	Phoenix Contact
Siemens	Red Lion
Schneider Electric	VEGA

WHERE WE WORK

- Sioux Falls, SD
- Midland, TX
- Stanley, ND
- Carlsbad, NM
- Grand Forks, ND
- Douglas, WY

Six locations across five states, with nationwide project support as customer needs arise.

LET'S TALK ABOUT YOUR NEXT PROJECT.
